I understand that if I am not a citizen of the United States that my plea may result in deportation, the exclusion of admission to this country, or denial of naturalization under federal law. I acknowledge that I have been advised that if I do not object to the destruction of said evidence before the expiration of 91 days from the date of this document, the evidence in this case will be destroyed. I further acknowledge and agree that my attorney and I have received adequate written notice of the State's intent to destroy evidence in this case as required by law.

PART II: ADMONISHMENTS:

(Defendant and defense attorney need to review and Defendant initials each blank):

MB I understand that I am pleading guilty to an offense which requires me to register as a sex offender upon conviction. I further understand that my duty to register does not expire until ten (10) years after my sentence or period of community supervision ends, whichever is later. If I am being convicted of an offense denoted by "**", I understand I must register for the remainder of my life. In addition to the above list (Part I), I will have to register if another state has convicted me of any substantially similar offense.

MB I understand that I am required to report to the local law enforcement authority where I reside to verify the information in the registration form maintained by the authority once a year during the period in for which I am required to register. If I have previously been convicted on two or more occasions or received deferred adjudication for offenses denoted by "**", I understand that I must report to the local law enforcement authority where I reside to verify the information in the registration form maintained by the authority every 90 days for the remainder of my life.

MB My attorney has thoroughly familiarized me with the laws pertaining to sex offender registration. I also understand that these laws are subject to change and may be applied retroactively.

JS I understand that I must register at the local police department of the municipality where I reside, or if I do not reside in a municipality, in the sheriff's department of there county where I reside not later that seven (7) days from the date that I am placed on community supervision or released from a penal institution.

JS I understand that if I intend to change my address I must inform the local law enforcement authority in the jurisdiction in which I am registered and the parole or community supervision officer who supervises me of that change seven (7) days *prior* to moving.

JS I understand that if I do not move to my intended address, I must provide an explanation to the law enforcement agency with which I am registered regarding any changes in my anticipated move date and intended residence within seven (7) days of my anticipated move date. I must also report to my parole or supervision officer weekly and that I must provide him or her with the address of my temporary residence until I do move.

JS I understand that when I move I must register with the local law enforcement authority in the jurisdiction of my new residence within seven (7) days of moving.

JS I understand that if I move out of state, I must register as a sex offender in that state within ten (10) days of moving.

JS I understand that if I intend to reside in another state and work or attend school in Texas, I must register with a local law enforcement authority in the municipality or county where I am working or attending school not later than seven (7) days after the date that I begin work or school.

JS I understand that if I intend to reside in Texas and work or attend school in another state with a registration requirement, not later than ten (10) days after the date I begin work or school, I must register with a local law enforcement authority in that state.

JS I understand that I will be required to apply for a new driver's license or personal identification certificate on or after September 1, 2000 and will have to annually renew my license or certificate thereafter.

JS I understand that if I spend more than 48 consecutive hours on at least three occasions during any month in a municipality or county in Texas other than the municipality or county where I reside, I must report that fact to the local law enforcement authority of the municipality or county in which I am a visitor. I must provide that authority with the address where I lodged during my stay and must give them a statement as to whether I intend to return to their municipality or county during the succeeding month.

JS I understand that failure to comply with current or future sex offender registration laws is a criminal offense, specifically;

a) a state jail felony which carries a punishment range of not less than 180 days and not more than 2 years in a State Jail Facility and a fine not to exceed \$10,000; OR

- b) (for those being convicted of those offenses denoted with "*"") a felony of the third degree which carries punishment range of not less than 2 years and not more than 10 years confinement in the Institutional Division of the Texas Department of Criminal Justice and a fine not to exceed \$10,000; OR
- c) (for those who have two or more previous convictions for those offenses denoted with "**") a felony of the second degree which carries a punishment range of not less than 2 years and not more than 20 years confinement in the Institutional Division of the Texas Department of Criminal Justice and a fine not to exceed \$10,000; AND
- d) an offense of the next highest degree for each subsequent conviction for failing to comply with the sex offender registration laws.

☒ My attorney has explained the requirements of Chapter 62 of the Code of Criminal Procedure.

☒ My plea of guilty or no contest has not been influenced by any advice or information delivered by the Court, my attorney, or any other person regarding the sex offender registration requirements. I would have pleaded guilty or nolo contendere regardless of the sex offender registration requirements.
